

### *About*

Mangiante Photography offers a service to schools for all school portraits and class group photos. This program can be customized to your school's needs and can be done at any time of year. Our trained staff will come to your school on a day of your choice to photograph each student. We offer several options for each family to place orders for beautiful color enlargements in a variety of sizes including wallets, 4x6, 5x7, 8x10 and larger. Orders can be placed online, by mail, telephone or through the school.

Class group photos are generally taken of each individual classroom or homeroom. Families may either pre-purchase these photos, or the school may elect to include the cost of the print in the school's tuition or activity fee. Class group photos can be titled with the class name, grade level and year, and the school logo or crest can be added as well. These photos can be printed and sent home in about a week!
